100 YEAR ANNIVERSARY COMMEMORATIVE COINS

As your Grand Correspondant, I ordered (10) of these coins that were sold immediately at the Christmas party last Friday in Cottage Grove. Just ordered another (20) more for the Midwinter Petite on Tomah. They sell for \$8.00 each.

For anyone who has a report to give but can't attend the Midwinter Petite; please send it along with any Voyagers from your area who will be attending or email it to me. Mary & I are leaving Thursday morning so if you send it later; we won't be around to download it.

There are a large number of items we will be addressing next weekend. These include future Midwinter Petite applications, the Grande Voiture flag, Housekeeping items in our Constitution and Bylaws that will be brought up but cannot be voted on until the Grande Promenade this summer. As with our Chef de Chemin de Fer Passe Don Emley, we will be voting on giving \$500.00 to Jim Vissers to use in his campaign travels and hopefully his hospitality if he receives the nod to be our next Big Chef in 2021.

The weather forecast was again checked for next weekend. Supposed to be clear and seasonal. Don't forget that immediately following the closing of the Promenade, there will be a short seminar on the correct way to fill out the Communique reports.

Under membership we are at 80.75%. Still have one **GOOSE EGG** in Kenosha County No. 410. Hopefully that will be rectified by next week.
