## DANE COUNTY # 683 BRAT FRY

On Saturday July 25th, Voyageurs and Dames of Dane County 683 held a brat fry at the Madison American Legion. That evening they moved the equipment over to the East Side Businessmen's Club on Lake Monona and continued to sell food to all of people at the park there.

Shown above are members working in the morning to include Correspondant and 3rd District Cheminot Keith Lovell and Chef de Gare Gerry Scalissi along with other Voyageurs and Dames.

## FALL CHEMINOT

The 2020 Fall Cheminot will be held on October 10th at the Orange Moose in Black River Falls. Start time is 1:00 P. M. and is in conjunction with Grand Chef de Gare John Aasen and Grande Presidente Jennifer Larson's Testimonial honoring them as Grand Chef de Gare and Grande Cabane Presidente.

### BANQUET AND HOTEL REGISTRATION FORMS ELSEWHERE IN THIS COMMUNICATION

The Cheminot will begin at 1:00 P. M. Now in other years we had reports from each of those who attended the Committee meetings at the National Promenade.

**Due to the cancelation of this year's event, we are asking each of the Grand Directeur's and Chairpersons to give detailed reports on their respective programs or the event they are in charge of.**

New 2021 program pins will also be handed out on consignment during this time.

In the next few weeks; I'll be sending out a program on the Fall Cheminot by email. It's not completed as of yet.

When making hotel reservations, make sure you mention the 40 et 8 to get into that block of rooms. For those arriving on Friday afternoon, there are plenty of area restaurants in the immediate area.

# FROM THE CORRESPONDANT

Joe Story has been diagnosed with lyme disease. After some weeks in the ICU, he has been moved out of there. Joe is currently at the Marshfield Hospital. We all pray for a speedy recovery.

So far, other than members of the Cheminot and Past Grande Voiture Grand Chef de Gares; I have received returned ballots from the following Locales! 497, 683, 750, 804, 830, 898, 986, 1080, 1372, 1455 and 1519. That's 11 out of 33 Locales. Do need them all returned by this Saturday. After the ballots are counted, we'll be coordinating for all Officers to be installed at the earliest possible time. What more than likely will happen is that certain past Grand Chef de Gare's will be assigned to different areas to swear the new Officers in. This doesn't purpose to be much of a problem logistically.

September 26th at the Tomah American Legion; Monroe County Voiture # 804 will be sponsoring a Brown Collar Wreck. For those who have never witnessed this type of Wreck; it's not a active Wreck or a White collar Wreck! Something in between. In any case; registration form is being sent with this communication.

A few Locales had not received their 2021 membership cards. I contacted National on the matter. They will not send them out unless they know specifically who the Correspondant is or another Voyageur designated to receive them. The three Locales in question have them now. I am including my own Locales dues notice form to give some of you an idea on how one Locale collects their dues.

Hope all Grand Directeur's have sent their completed Grande Communique reports to the National Directeur so we can receive credit for the work preformed this last year in the respective field.

As soon as Grand Nurses Training Directeur Pat Sukowski and Grand Commissaire Intendant coordinate this years Nurses Training recipients; we'll be issuing checks to the respective Locales so they can present them to the students and get pictures.

I'll be staring a new piece in future Badger Forty et Eighter publications. Going to call it Cruzing with the Correspondant. It'll be more on the line of social. In other words Filler Space.

At the Saturday evening banquet on October 10th, we'll be presenting the special awards for the Harald Kahlert Award; Correspondant of the Year and the Grande Voyageur of the Year.

**STAY SAFE EVERYONE**

**FAITH FAMILY FORTY et EIGHT**
