GRANDE VOITURE FLAG UPDATE

The new Grande Voiture de Wisconsin flag was picked up from the Olympus Flag and Banner Co. this last Tuesday. Now just waiting for the bill.

The question is now what do we do with the old flag? It isn't going to be stored in my basement! It would be my suggestion that we purchase a case for it and put it in the area reserved for the 40 et 8 in Portage. This is only a suggestion and am more than interested in what any of you might suggest on this matter.

John & Clarisse Aasen along with Grand Chef de Gare Larry Winger pose with Voiture # 830 Chef de Gare Pat Young at the La Crosse Thanksgiving dinner last weekend.

Merry Christmas

Name: _____ Voiture# _____

How Many: _____ Money enclosed _____

FROM THE CORRESPONDANT

Once again my email address is wigrandvoiture@spectrum.net My cell phone is 920-253-3064. Am receiving questions and such on face book and I hardly ever am on that.

Included in this communication is the registration information on the upcoming Grande Voiture & Cabane Midwinter Promenade and Rendezvous. I strongly recommend when making hotel reservations that you mention the Forty et Eight Veterans group and they will be sure to put you in a specific block of rooms. Chef de Chemin de Fer Bill Simpson and his wife Dell will be arriving on Thursday the 10th of February as will many of us.

We will be there to get the work done in La Societe but will still have plenty of time for socializing and renewing friendships and making new ones.

Along with the other Committee meeting on Friday afternoon, we will be having a 2022 National Promenade & Rendezvous Committee meeting. Just like in 2015, we're going to have everything organized and ready to go. Hopefully it'll run as smoothly as last time.

This last week I purchased a set of studio camera lights for taking portraits and group pictures. Thank you Amazon. Am also planning on looking into a portable speaker system that was voted on to buy some years ago but somehow went by the wayside.

Membership is trotting along slowly. Wisconsin is at 66.82% with another 292 membership renewals of new members to go for 100% in 2022. We still have one **GOOSE EGG** Locale and one that hasn't sent in any membership other than a Life Membership. Congratulations to Walworth # 526, Portage # 831 and Grant # 1372 for achieving 100% for the year already.

Going to be a busy year coming up. March is a trip to Charleston SC for Chef de Chemin de Fer Bill Simpson's Homecoming. April we'll be in Columbus GA for National President Janet Walsh's Homecoming. May it's up to St. Germain for the Rainbow Flowage Clean Up. In June we travel to Rochester NY for the Great Lakes Promenade and a few weeks later it's back to St. Germain and Lake Tomahawk for the 53rd annual 40 et 8 Days at Camp American Legion. July is hopefully rather quiet and then in August our Grande Promenade & Rendezvous in Tomah. September it's up to Green Bay for the 103rd National Promenade.

We need everyone's articles and pictures sent to Grande Voiture Headquarters this coming week. Everything has to be sent in to the Berlin Journal so the winter edition of the Badger Forty et Eighter can be published.

Today is Thursday the 25th which is Thanksgiving and Mary & I wish each and everyone of you the best on this wonderful holiday. Think of all of our men and women in the military who are unable to spend this day with their loved ones.
