## GRANDE VOITURE FLAG UPDATE

## NATIONAL PROMENADE UPDATE

We have now sold \$1,235.00 in Ad's. Also another \$44.00 in Booster Club members.

There will be a meeting on this Friday February 11th at the Midwinter Petite Promenade which will be held in Manitowoc at the Holiday Inn.

For the booklet I don't believe we're going to have a letter or picture of our Governor or any other Senators or Congressmen. Too much wasted space. President Don Emley and our Chef de Chemin de Fer Bill Simpson will be the only head shots with greetings.

Enclosed in this communication is a copy of the Ad's and Booster Club application. We do hope every Locale and Voyageurs/Dames fill these out and purchase an Ad.

The Heritage Co. that once did all of the booklets no longer exists so it's up to each host Grande Voiture to sell Ad's. If we can all sell Ad's, our Grande Voiture will make out very well.

### IN OTHER WORDS - PLEASE SELL AD'S

Jim Hying and Cecil Groves of Richland County #1268 were in attendance for the Fall Cheminot conducted by fellow #1268 Voyageur Grand Chef de Gare Larry Winger.

The Olympus Company of Brown Deer has started production on our new Grande Voiture flag. Should have it finished in a week or so. Cost is just over \$1,028.00. As soon as we pick the new flag up; a few pictures will be taken and sent out by email.

We have also been contacted by two other Grande Voiture's and now two Locales who are considering having new flags made by them.

### CORN HOLE BOARDS

This coming 40 et 8 Days at Camp American Legion, we'll be using the heavy duty boards from the Camp. Most complain that the cheap ones we had been using are just not durable and bounce too much.

With more 40 et 8 family members attending this function every year; we might even have to get a third set of boards.

# FROM THE CORRESPONDANT

Congratulations to Portage County # 831 for being the first Locale in Wisconsin to achieve 100% in membership. Now on the flip side, Eau Claire # 525, Sauk # 652 and Rock # 844 counties are still on GOOSE EGG status. Am hoping our Grande Voiture Line Officers and Area Cheminot will contact these Locales to see if assistance is needed.

This last Wednesday I attended the Sheboygan County # 1080 Promenade. *(My wife is the Cabane Presidente there and you know who the chauffeur is)* In any case Registration and Hotel reservation forms will be coming out very shortly. Ask for to be put in the 40 et 8 Veterans block when making reservations. **HOWEVER** you cannot make hotel reservations until after Thanksgiving because of the block of rooms.

The proposed new pier at the Rainbow Flowage has already been put into the budget for this fiscal year. A few other items have come up. A well has been mentioned being dug out there. There is an area where poison ivy is and we are considering having a licensed person from an area landscaping or pest elimination come out there and spray the area. The Boy Scouts are being contacted about erecting a fire pit where the old one was as part of their Eagle Scout training. As stated earlier, Cabane Presidente Barbara Dotzauer as her project this year is to raise funds for repairing the window frames in the Forty et Eight pavilion. The spring cleanup of the Flowage will be sometime in May.

I'll be needing articles and pictures from all Officers and Directeur's for the Winter edition of the Badger Forty et Eighter by December 1st. Everyone has a month to compose their respective articles.

For you that have not changed the Grande Voiture Headquarters email address; it's [wigrandvoiture@spectrum.net](mailto:wigrandvoiture@spectrum.net) Still get calls about the old email address getting bounced back.

State Commander Greg Eirich presented a special award and shirt for his dedication to the Veterans of Wisconsin

A special gift for Larry.
